Author extraordinaire Carolyn j. Morris has brought back beloved characters Chick and Duckling in her third installment entitled Country Fair. Morris draws on her vast experience as a seasoned 4-H member to bring all the sights and sounds of a country fair to life. Through the eyes of Chick and Duckling, both characters delight in all a country fair has to offer from fair exhibitors and the beef, dairy and sheep shows, to the midway and luscious fair foods! Back with Morris is illustrator Richard McNaughton who captures the true essence of a local country fair. Not to be missed and certainly to be added to one's reading list – Country Fair, a must-read for all ages!
