What better way to celebrate Canada's 150th birthday than with Carolyn j. Morris' beloved characters Chick and Duckling?! Her fourth book in a heart-warming series, *Happy Birthday Canada* chronicles the ongoing adventures of Chick and Duckling – this time, as they tour the regions of Canada. Morris, along with illustrator Richard McNaughton, masterfully captures all the highlights that each Canadian region boasts – from East coast seascapes to lobster traps, to Quebec's winter carnival and Rideau Canal, from the West Coast's Rocky Mountains to glacial lakes – all as discovered by Chick and Duckling, her endearing characters. *Happy Birthday Canada* is a delightful complement to any parents', caregivers' or educators' literacy teachings. Morris' Railfence Bunch series provides the early literacy component so important during the language and comprehension development stages of early learning. *Happy Birthday Canada* is a definite must for any early reader's collection!
